EDUCATION MATTERS FOR CHILDREN OF COLOR

A special Call to Action for the Seattle Community!

An Education Conversation

There is an urgent need for Officials to partner with community to ensure that students of color, especially African American Males and Females have opportunities to lead successful lives. Please join us for an education conversation with our candidates to ensure that all children of color experience an education that properly prepares them for college, productive careers and realization of the American Dream.

***Hosted by: Seattle ABSE, Mount Zion Baptist Church and Community Ministries,
Boys and Girls Club of Seattle***
